

WELCOME

I bid you a hearty welcome from the Brethren of our Lodge "Zu den drei Rosenknospen" in Bochum, Germany.

On these pages we provide you with some information about our Masonic Lodge, our activities and in general about Freemasonry in Germany.

We do hope that you will enjoy browsing our website and that we will be able to answer any enquiries. Please do contact us for further information

Our Lodge is member (#149) of The Grand Lodge of Ancient Free and Accepted Masons of Germany that unites men of all religions and of varying origin. The Grand Loge is recognised by many foreign Grand Lodges including The United Grand Lodge of England. Please follow Masonic Protocol regarding correspondence.

For those of you who are Masons: Our Lodge holds its meetings once a month on Thursdays (8 p.m.) at our house Yorckstrasse 62, 44789 Bochum. Please contact us in advance via E-Mail (info@freimaurer-bochum.de) for details. On any other Thursday we come together for a social event that might include family or guests. Visiting brethren are always welcome (both meetings and social events)!

Looking forward to getting in contact with you
